THESE ARE THE GENERAL CONTENTS OF THE DATABASE

ABOUT THE GERMAN SHEPHERD DOG

In 1982 a dynamic archive was created about the 'German shepherd dog' by Bruno DaTos

The data are on line in Internet since 1996

The update were and are still constant today

The main features of the database are the following

A data collection that has only official data,

Reference data are from 1900 to today

The dynamism uses different parameters and methods :

Searching for a dog by name or part of the name

Searching for a dog by the owner's name, through partners who grants custody or by the trainer

Searching for a dog in rankings Championships breed-show from 1970 to present of Germany and Italy

Searching for a dog in rankings Championships trials-show from 1970 to present of Germany and Italy

Searching for a dog in rankings Championships flock of sheep from 1979 to present of Germany

list of all dogs that have the SchH1/IPO1/IGP1 in Italy from 2004 to today with scores

list of all dogs that have the IPO-ZTP/IGP-ZTP in Italy from 2004 to today with scores

List of all dogs with survey obtained in Italy from 2004 to today, the search can be by year or by single date

List of a precise height at the withers as per personal choice

The presentation of the dog takes in more information sheets :

1) sex, date of birth, father, mother, degree of hips(HD) and elbows (ED), title(ZB), class and validity of the survey

2) dynamic pedigree to the fourth generation that shows the surveys of all ancestors with there general description in the original language, there validity of the survey and final examination + there sizes and weight

3) dynamic pedigree to the sixth generation

4) dynamic pedigree with photo and blood-relation

5) dynamic search of all dogs (ancestors) in all pedigree, and so on PDF pedigree with sizes and weight

6) PDF of the pedigree to print

7) owner/dog-breeder, partner who grants custody, trainer

8) list and statistics of the sons, daughters and grandchildren

9) list of the results obtained in the Championships breed-show (Bundessieger-Zuchtshau)

10) list of the results obtained in the Championships trials-show and their manager (Bundessiegerprüfung)
